2026 Bob Reall Invitational Youth 1 Mile Race
Preliminary Results

We apologize! We successfully recorded times/places from the finish line video but botched collection of tags used to associate individuals with times. We have been working with "team" coaches through this week to ID runners from the video; we have reasonable (but not total) confidence in the results listed in black font below. Brief descriptors are noted for runners we have yet to identify. Note that genders are noted for as yet unidentified runners based on whatever clues we can pick up from the video; hair style… style of dress… gait. Please don't take offense if we miss, none is intended.

Please email: ckoksal@columbus.rr.com with additional IDs or corrections as we continue to update these results.
